

INSURE HIVE — CALIFORNIA HOMEOWNERS INSURANCE PROGRAM

Powered by Aegis General | Specialty Property Made Easy

Protecting California Homes With Smarter Coverage

Insure Hive is proud to offer California agencies access to a modern, flexible homeowners insurance program designed for today's evolving property risks. With strong underwriting, digital tools, and broad coverage options, this program is built to help you protect more homeowners — and win more business.

Program Highlights

- HO-3 & HO-5 coverage options for primary, owner-occupied homes.
- Strong dwelling limits: \$800,000 new business / \$875,000 renewal.
- Optional +25% extended replacement cost.
- Modern underwriting: roof review, wildfire scoring, valuation tools.
- Open-perils contents coverage via HO-5 endorsement.
- Additional options: Equipment Breakdown, Earthquake, Renters, Dwelling Fire/DIC, E&S; Property.

Ideal Risks

- ✓ Primary, owner-occupied homes.
- ✓ Well-maintained properties.
- ✓ Homes within coverage limit guidelines.
- ✓ Properties in wildfire-exposed or CAT-sensitive regions.

Why Insure Hive?

- Access to specialty programs built for California.

- Fast underwriting response.
- Simple submission process.
- Direct support from the Insure Hive team.
- Tools to help you grow your book with dependable markets.
