Note: As a solutions-based broker we are very successful with risks that are having a difficult time finding the correct coverage. Please keep in mind, understanding why the homeowner is coming to us and what coverage they are looking for is extremely helpful. To formalize quote terms, we require a call with the insured homeowner / decision-maker; we encourage agents/brokers to join. This call gives us the opportunity to assess the insured's partnership commitment and details of their home.
